PRODUCT MEMBER CATALOGUE

2024

ISSUE 1

CATALOGUE OVERVIEW

We at GBCSA are proud to showcase our members whose products have an environmental focus, and in doing so help us move closer towards our goal of a transformed built environment, where people and planet thrive.

This catalogue specifically focuses on water, materials, Indoor Environmental Quality (IEQ) and energy aspects of green building. In it you'll find a listing of GBCSA's members who produce and distribute products that support better environmental outcomes related to the above. Many of them have additional sustainability benefits too.

Use this document to explore what's available, find website and contact details, and be better informed about greener products on the market.

- GBCSA's focus for certification is on buildings. While we do not certify products, this catalogue provides insight into the related Green Star system categories where these products could help achieve points.
- The Green Star rating tools recognise EcoStandard and Global Greentag as eco-label certifications in South Africa.
